

Jesus Heals a Crippled Woman

Jesus was teaching in one of the synagogues, and a woman was there who had been crippled for eighteen years. She was bent over and could not straighten up at all.

Gesù guarisce una donna paralitica

Una volta Gesù stava insegnando in una sinagoga ed era sabato. C'era anche una donna malata: era tutta curva e assolutamente incapace di raddrizzarsi.

When Jesus saw her, he called her over and said, "Dear woman, you are healed of your sickness!" Then he touched her, and instantly she could stand straight. How she praised God!

Quando Gesù la vide, la chiamò e le disse: 'Donna, ormai sei guarita dalla tua malattia'. Posò le sue mani su di lei ed essa subito si raddrizzò e si mise a lodare Dio.
