

The Home of your Heart

Look! There's
Jesus in the
manger! Is it true
He was born in
Bethlehem?

CHRISTMAS SALE

That's
right.

If He was born in
a little town so far
away from here,
then why does
He want to be my
friend?

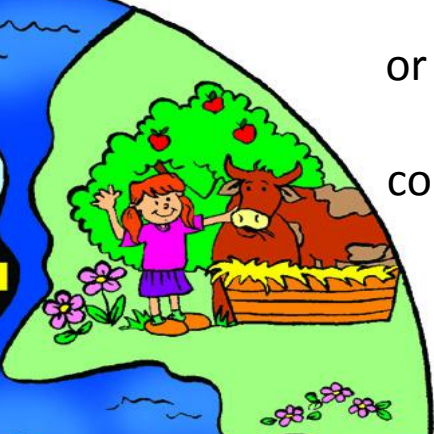

Good question! Jesus came to Earth from Heaven because He wanted to tell us how much He and His Father, God, both love us.

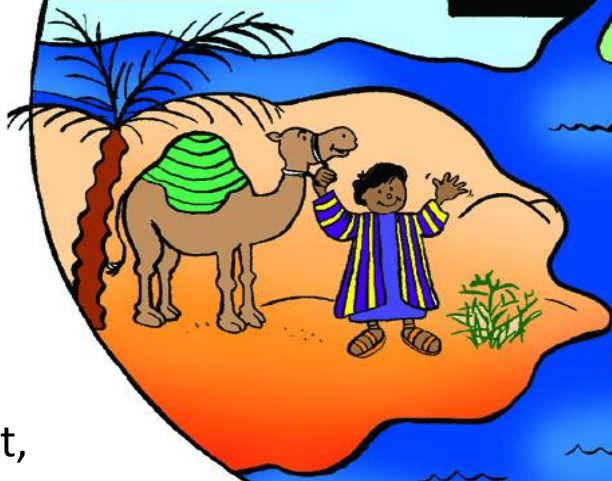

It doesn't matter if we live in a big city,

or out in the countryside,

in a desert,

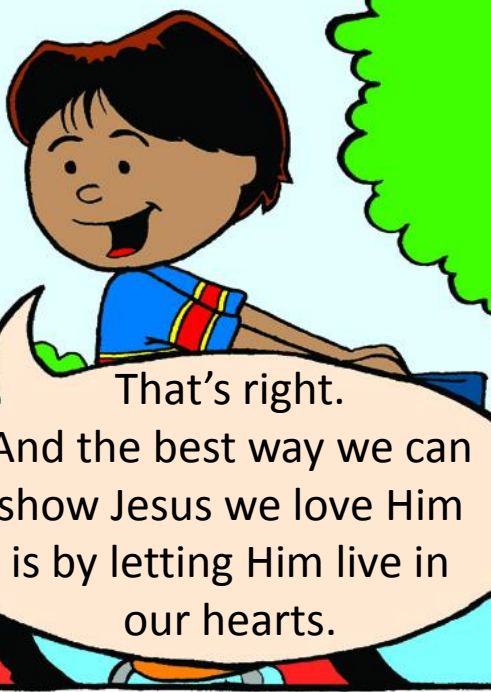

or on a tropical island.

Jesus wants to live in our hearts no matter where we live.

He wants to live
in my heart more than
in a fancy palace?

That's right.
And the best way we can
show Jesus we love Him
is by letting Him live in
our hearts.

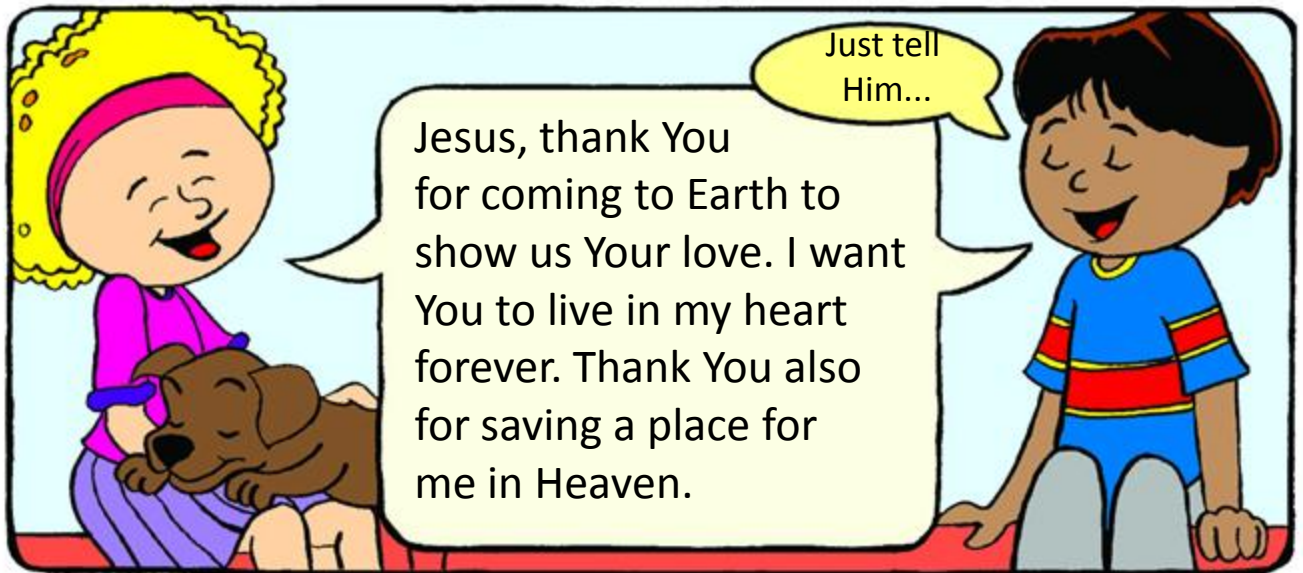

Jesus even promised that if we
let Him live in our hearts in this life,
then He'll save a special place for us
in Heaven.

So, how do I
ask Jesus to live
in my heart?
