

Peter Heals Aeneas

Peter traveled from place to place, and he came down to visit the believers in the town of Lydda. There he met a man named Aeneas, who had been paralyzed for eight years.

Pedro cura Eneias

Pedro viajava por toda parte, e foi visitar o povo de Deus que vivia na cidade de Lida. Ali encontrou um paralítico chamado Eneias.

Peter said to him, "Aeneas, Jesus Christ heals you! Get up!" And he was healed instantly.

The news spread through the whole town, and many believed in the Lord.

Pedro lhe disse: "Eneias, Jesus Cristo cura você! Levante-se!" E, no mesmo instante, ele se levantou.

A notícia se espalhou por toda a cidade, e muitos creram no Senhor.
