

A night sky with a bright star and a white text box containing the title.

Silent Night
Noite de Paz

Silent Night, Holy night

Noite de Paz, Noite de Amor

A bright, multi-pointed starburst of light is centered in the upper half of the image. A thick, vertical beam of light extends downwards from the starburst, creating a strong vertical axis. The background is a deep blue gradient, speckled with numerous small, distant stars. The overall effect is one of celestial grandeur and tranquility.

All is calm; all is bright

Tudo dorme em derredor

‘Round yon virgin, mother
and child

Entre os astros que espargem
a luz

Holy infant, so tender and mild,

Proclamando o menino Jesus

Sleep in heavenly peace,

Brilha a estrela da paz

Sleep in heavenly peace.

Brilha a estrela da paz

Silent Night, Holy night

Noite de paz! Noite de amor!

Shepherds quake at the sight,

Nas campinas ao pastor

Glory streams from heaven
above,

Lindos anjos, mandados por
Deus,

Heavenly hosts sing “Alleluia”

Anunciam a nova dos céus:

Christ the Savior is born,

Nasce o bom Salvador!

Christ the Savior is born.

Nasce o bom Salvador!
