

# 团队合作

*Teamwork*

你可曾试过  
做非常困难的事？  
你不断的尝试  
直到你想要放弃。

*Have you ever tried to do  
Something very hard for you?  
All alone you tried and tried,  
Until you almost quit and cried.*

后来有人来帮你  
爸妈或真挚朋友。  
不管年纪大或小  
我们都需要帮忙。

*Then someone came  
and helped you,  
Mom or Dad or  
friends so true  
'Cause big or little,  
old or young,  
We all need help  
from someone.*

看看身体的结构  
眼、耳、手臂和双  
腿。  
我们需要每部份  
才能看、听、接和  
跑。

Look at how your body's  
made:  
Eyes and ears and arms  
and legs.  
Each part needs the  
other one  
To see and hear and  
catch and run.

我需要你，你需要我  
我们分工合作。  
我帮你，你帮我  
工作会充满乐趣。

*So I need you and you need  
me.  
Let's work together in unity.  
I'll help you and you'll help me,  
And, oh, what fun our job will  
be.*

分工合作比较好  
那是做事的方法  
你我大家互相帮忙。

*As a team we do it better,  
That's the way to get things  
done.  
Everybody helping everyone.*
