

The Color of Love

El color del amor

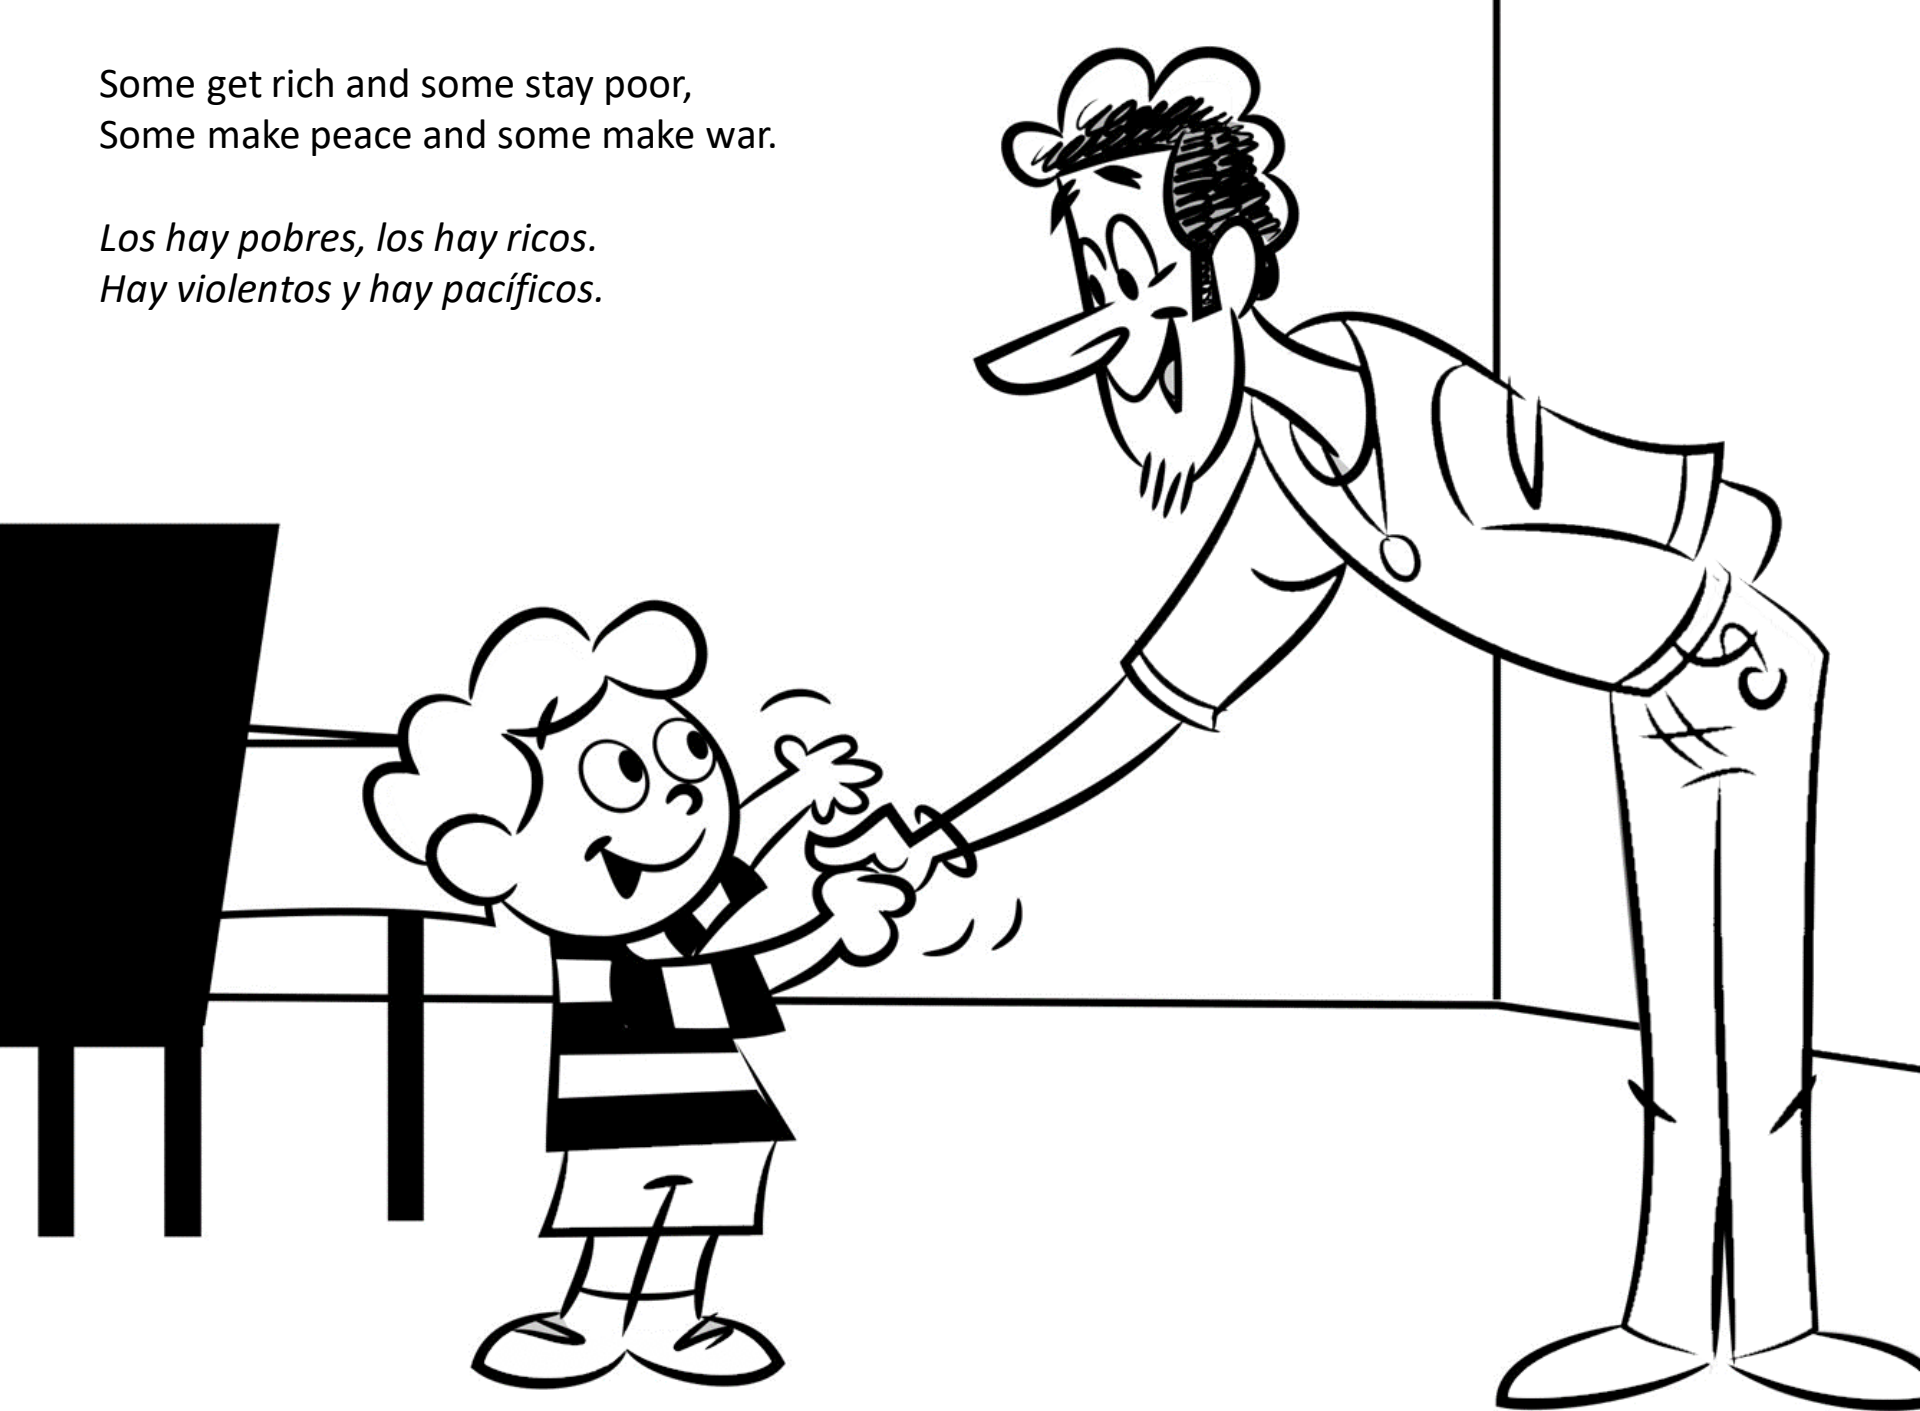

Some are black and
some are white,
Some are wrong and
some are right,

*Los hay negros, los hay
blancos.*

*Los hay falsos, los hay
francos.*

Some get rich and some stay poor,
Some make peace and some make war.

*Los hay pobres, los hay ricos.
Hay violentos y hay pacíficos.*

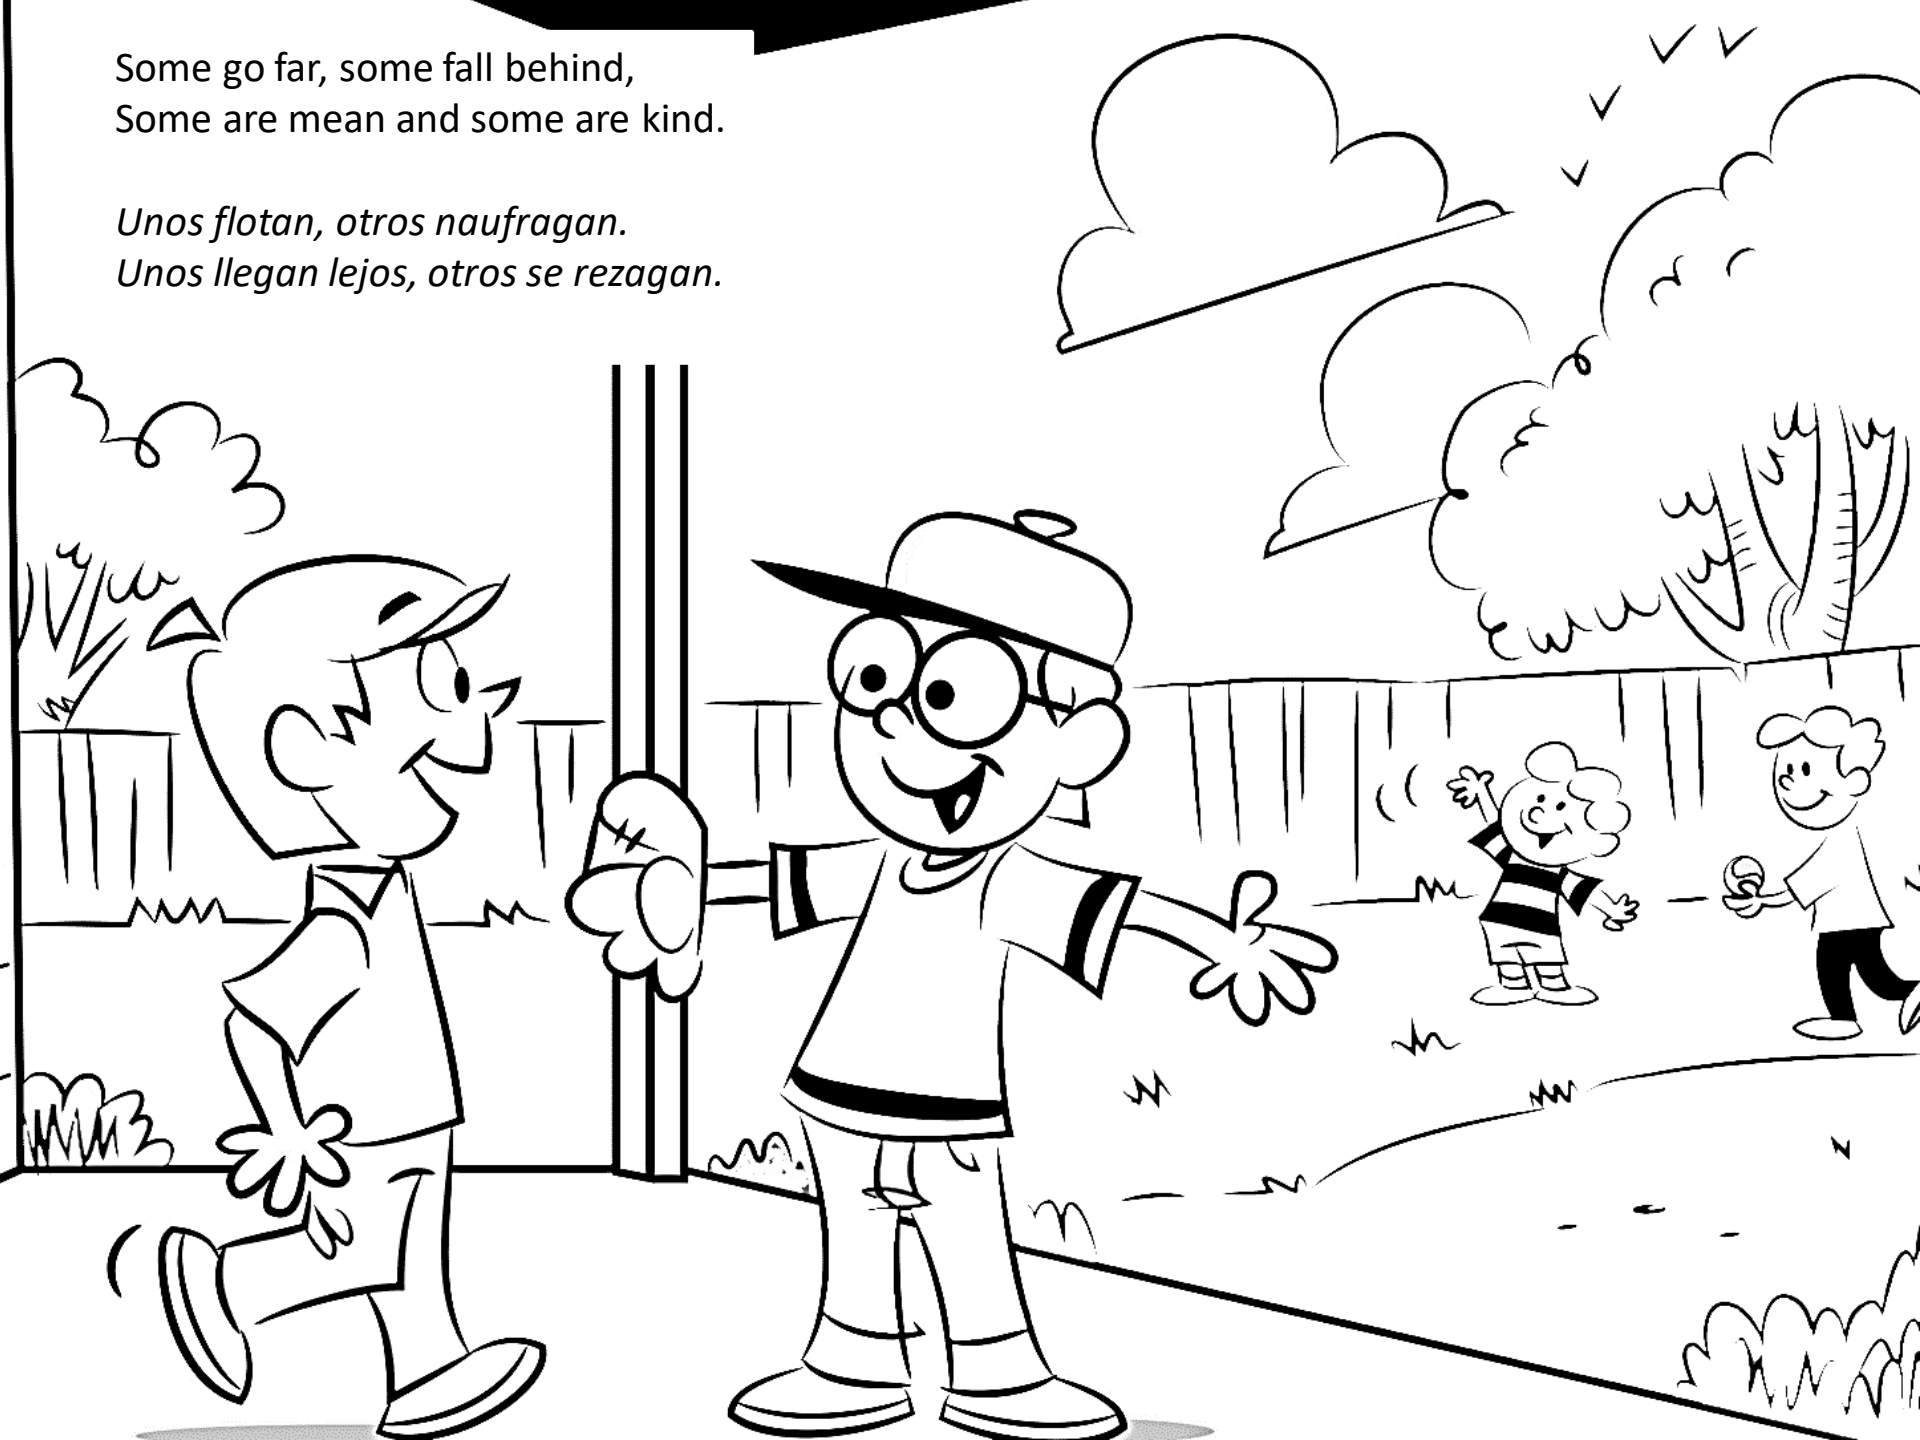

Some are yellow, some are brown,
Some are up and some are down,

Hay amarillos y hay morenos.
Los hay malos, los hay buenos.

Some go far, some fall behind,
Some are mean and some are kind.

*Unos flotan, otros naufragan.
Unos llegan lejos, otros se rezagan.*

Some are reds and some are greens,
Some stay quiet, some make scenes,

*Los hay verdes, los hay rojos.
Los hay activos, los hay flojos.*

Some say yes and some say no,
Some will tell you where to go.

Unos dicen que sí, otros que no
Y otros son como un yoyó.

But underneath our different skin,
The same heart beats, deep within.
For brothers, sisters all are we,
Meant to live in harmony.

Más allá de clases y razas,
un mismo espíritu nos enlaza.
Indios, europeos o africanos,
somos iguales, somos hermanos.
